

HTML/CSS/JS

Crash Course

I apologize if these colors don't look good together

WHAT EVEN IS THIS

It's a 4-video series

- 😊 1. Explaining The Big Picture
- 😊 2. Diving Into HTML
- 😊 3. Learning CSS Basics
- 🙋♂️ 4. Stumbling Through JS

The Objectives

1. Build a Basic Website with HTML
2. Understand how everything fits together
3. Write introductory HTML/CSS
4. Look at some JS without panicking

OUR "BEAUTIFUL" WEBSITE

THIS IS MY NEW CAT

GET NEXT PHOTO

She currently has no name. Please help me name her.

WHAT DO YOU NEED?

A Computer

30ish Minutes

LET'S GET ON WITH IT THEN.
